

It was originally my intention to leave the child of my imagination to make its way where it would, without any letter of introduction in the form of the usual prefatory address to the reader; but having been assured that a preface is indispensable, I am laid under the necessity of formally giving a little insight into the character of the possible inmate of many a happy home. Header, the following pages claim no interest on the score of authenticity. They are no fiction founded on facts. They profess to be nothing but fiction, used as a vehicle for illustrating certain broad and fundamental truths in our holy religion. (Typographical errors above are due to OCR software and do not occur in the book.) About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.
