

## An Evening with Johnners

In 1993, at the age of 80, Brian Johnston embarked on his first ever concert tour, a one-man show called An Evening With Johnners, which blended stories about his life with the many jokes and puns for which he was renowned. Two recordings were made from it - An Evening With Johnners and An Hour With Johnners. This book combines material from both in which Johnston recalls his life, from his college days, to his war service, to his work for the BBC. Brian Johnston will be remembered as the voice of cricket.
