

An Inner Journey: Living Your Life Purpose Workbook

An Inner Journey opens you to new awarenesses as you uncover clues that guide you to the essence of your life purpose. You'll be gently guided through the process of creating a solid foundation on which to stand as you gain control of your life and step into action as you actually live your life purpose. Subjects covered include creating support systems that work, plugging your energy leaks, making your fears work for you and help you on your road to success, and much more. The book is structured so each chapter builds upon the one before it. But you don't have to begin at the beginning and do each chapter in sequence. You can start any place you like. This is the companion workbook to the original book. Its 160 BIG 8 1/2 x 11 pages with lots of space for you to make notes, do the exercises, and scribble all over it. It opens flat so it's easy to work on. If you're one of those people who don't like to mark up books, this is the perfect solution for you.
