

Diamond Sutra: A Complete Commentary, Book 2 (Oriental Wisdom Series, Volume 3) (Chinese Edition)

Diamond Sutra: A Complete Commentary (two-volume edition), by Mr. Liu Zhankui, an enlightened spiritual master who has realized the Reality Wisdom, is one of the most fundamental, comprehensive, thorough and wisdom interpretations of the classic Diamond Sutra. One of the things that sets Diamond Sutra: A Complete Commentary apart from other interpretations of the scripture is that the wisdom perspective and valuable experience that Mr. Liu Zhankui brings as a result of decades of personal physical and mental practice and consciousness cultivation. The author expounded the fundamental essence of the wisdom classic Diamond Sutra on how to realize and obtain the Ultimate Wisdom in his true insights based on his personal practice. He taught both the theory and the methods from the perspective of practicing and realizing the true wisdom Kungfu; restored and revealed the original wisdom meaning of the Diamond Sutra beyond the scope of philosophy and religion in the perspective of wisdom entirety and wisdom dialectics; and broke the mysteries and deification superstition regarding the Diamond Sutra. The author focused on the cultivation on both the body and the mind with many starting methods that guide people to practice and actually realize the truth in everyday life. The book is not a high-in-heaven reasoning preaching to talk about the mysterious, but a guidebook to show the readers how to apply the wisdom connotations of the Diamond Sutra in every bit of the course of everyday life, and how one can truly practice the wisdom of life and enjoy a life of wisdom. The readers will find applicable solutions to all of their questions and confusions. Great wisdom is shown in dealing with minor issues of daily necessities, the truth lies in the tiny moments of daily activities. This is the true meaning that Buddha presented to us in the Diamond Sutra. Book Two covers the last

eighteen chapters of the original scripture.
