

Dunk

To the Bozo, the clown who sits inside the cage above the dunk tank, everyone is a mark. Once he has zeroed in on his victim, the Bozo comes up with the perfect wisecracksomething funny enough to make people stop and listen, and cruel enough to hook the mark. Now the mark is bent on revenge, and hell buy however many balls he needs to hit the target and see the Bozo plunge into the water. Its a game that fascinates Chad, who lives on the Jersey shore, where the boardwalk turns into an amusement park every summer. He wishes he could shout at the world from the safety of a cagehis dad ran out on him and his mom, and now everyone seems convinced that Chad will wind up a loser, too. Hes determined to get a job playing the Bozo, something he knows hed be good at. Suddenly, Chad finds himself thrown into a strange and twisted world, where humor has far more power than he ever imagined. With a crackling plot and smart, funny dialogue, Dunk pulls readers along on a journey that exposes a universal truth: We all need to laugh.
