

The ABCs of Listening, Paying Attention, and Getting Smarter

The ABCs of Listening, Paying Attention, and Getting Smarter is an illustrated book with more than 26 tips for children about improving attention, focus, and active listening skills. These tips can help to improve focus and listening skills. They also challenge the brain to get working. Written and illustrated (using Poser and Bryce software) by Psychiatric Rehabilitation Program Specialist, Deborah Alexandra. Deborah often works with clients who have ADHD and need assistance with developing attention skills. Deborah Alexandra is also the author of Kody Gets Angry: An Anger Management Story and Emma Gets Along: A Conflict Resolution Story.
