

Captain Cook

This book is not a series of fictitious adventures of the great Captain Cook, the eighteenth century navigator and explorer, but a straightforward statement of his life and achievements. It is therefore more of a biography than an adventure book for boys. However, the man was so great that his biography can indeed be read as a well-written book of adventures. Notice: This Book is published by Historical Books Limited (www.publicdomain.org.uk) as a Public Domain Book, if you have any inquiries, requests or need any help you can just send an email to publications@publicdomain.org.uk This book is found as a public domain and free book based on various online catalogs, if you think there are any problems regard copyright issues please contact us immediately via DMCA@publicdomain.org.uk
