

Brigade Encampment Journal: The George Washington Memorial Brigade Record Book for Masonic Lodges

The George Washington Memorial Brigade is a copyrighted Masonic Lodge Program, designed to be used in-house by Lodges, to raise donations for the George Washington Masonic National Memorial in Alexandria, Virginia. The Brigade Program is voluntary and is administered by Freemasons. The MasonicPress.com has designed this program for the individual Mason to use, however, it is out hope that it will be selected as one of your Lodges regular, on-going program activities. The MasonicPress.com maintains the program copyright, but fully extends usage and adaptation to Freemasons and Masonic Lodges to propel the success of the program in support of this historic national landmark.
