

## Using Accounting Information Problem Workbook

This book provides a complete set of problems and partially completed solutions worksheets related to using accounting information. It is specifically designed to accompany Chapters 15 through 16 of the online textbook found at [www.principlesofaccounting.com](http://www.principlesofaccounting.com), but may prove as a useful study tool for any introductory accounting course. The accompanying website includes numerous supplements like streaming videos, sample problems with solutions, and other learning tools.
