

The Magic of Norway 2016 - Lofoten Islands & Nordland: Northern Lights and Wild Nordic Landscapes (Calvendo Places)

Northern Norway has one of the harshest and most dramatic landscapes in Europe. The magnificent northern lights, that seem to dance over the rugged coastline, are a true highlight in winter. This calendar takes you on a journey to the picturesque coasts of the Lofoten Islands, the Vesteralen and to the quiet fjords of Nordland. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
