

Cash In on the Obama \$3 Trillion Spending Plan!: How to make large amounts of money by conducting business with or receiving grants from federal, state, and local governments

This book is destined to be a big seller. With unemployment climbing through the roof, the Federal government under Obama is pouring money into the economy and its budget will exceed \$3 trillion dollars. This best seller will provide your customers with a step-by-step guide to making money from both Federal and state governments and will also show them how they can qualify for grants, loans and other assistance from the government. 3,000,000,000,000...its a big number isnt it? To spend \$3 trillion dollars in a year the government must spend over \$340 million per hour or \$95,000 per second! In the time it takes your customer reads this book, the government will give somebody else hundreds of millions of dollars. Why dont YOU give your customers an opportunity to get some of that money? This is a sure-fire seller! A few hours invested in this book studying this proven system will help your customers cash in on your piece of President Obamas \$3 trillion pie. This amazing book is designed for the individual who wants to learn how to cash in on the government bonanza. Among the contents, it shows your customers-The regulations covering government procurement;-Describes how federal and state government buy goods and services;-Illustrates where to find opportunities; and -Provides the reader with a step-by-step guide to preparing a successful proposal and grant request (using the same techniques which the author used to obtain over \$12 billion in contract awards for his clients).This best seller comes with an attractive 50% bookseller trade discount.Dont delay . . .
