

## Twenty-six Companions: Twenty-six Native American, Buddhist & Celtic Guides

Using art, ritual, poetry and meditation, the author offers a step-by-step guide to developing a personal, intimate relationship with spirit. Based on images of twenty-six goddesses, gods, saints and shamans, the book explores the profound spiritual connections between human seeking and ecological health. The author shares personal experiences of guidance, offers specific suggestions for spiritual practice and practical action, and invites the reader to a life of ordinary miracles.
