

Childrens Bible Comic Book Birth of Jesus

Childrens Bible is a collection of comic books telling the stories of the Old and New Testament. Kindle users will enjoy the comic books in a carefully optimized black and white version. Those who use Kindel for PC, Mac or iPhone will enjoy a complete full color version. Who is Childrens Bible aimed at? Kids Families Catechists Teachers Everyone who wishes to approach Sacred History as a cultural fact People coming from other cultures and religions Believers of any age The main features of this publication are: THE SCRIPT The comic books script is a faithful transcription of the biblical texts. No script elements alien to the original text have been added. We have used the Good News Bible. Every episode takes up one or two double pages. They can be read and used separately or consecutively. THE DRAWINGS The realist drawings follow the tradition of the French Belgian clear-line school made popular by Herge, creator of Tintin. The drawings are the result of an exhaustive work of graphical research, not only with regard to the landscapes of Israel, but also as for the characters attire (fabrics, colors, etc.), everyday objects (objects, food, etc.) and the architecture of the moment. As for the characters faces, we have worked with drawings from life. Birth of Jesus includes this list of episodes: Annunciation of the Birth Birth of Jesus Visit of the Wise Men of the East Childhood of Jesus Baptism of Jesus Temptations of Jesus Call of the disciples Wedding at Cana Sermon on the Mount: the Beatitudes Sermon on the Mount: Love your enemy Sermon on the Mount: the Prayer
