

Claudette Colvin: Twice Toward Justice

Its my constitutional right! screamed Claudette Colvin as she was dragged off a segregated city bus in Montgomery, Alabama, after refusing to give up her seat to a white woman. It was March 2, 1955?nine months before Rosa Parks took a similar stand. But instead of being celebrated as Parks was, Colvin was shunned by her classmates and dismissed by community leaders. Undaunted, a year later she dared to challenge segregation again as a key plaintiff in Browder v. Gayle, the landmark case that did for transportation what Brown v. The Board of Education did for education. Called unforgettable by The Wall Street Journal, this outstanding, ground-breaking account of an almost forgotten civil rights pioneer garnered praise and accolades, including a National Book Award, a Newbery Honor, and a Robert F. Sibert Book. As The New York Times said in a glowing review, Hoose finally gives [Colvin] the credit she deserves.
