

Ride Guide: Mountain Biking in the New York Metro Area

10th Anniversary Edition Thirteen new places to ride! Detailed point-to-point directions for more than 200 trail-miles! We are pleased to present the latest addition to our popular Ride Guide series, now with more trails, updated cue sheets, and more detailed maps than ever before. Whether you are a recreational cyclist looking for a low-impact, scenic tour or a hard-core mountain biker fond of careening through rock gardens, you will find an extraordinary selection of rides in the first and only mountain biking guide to the New York metro area. You will find twenty-nine rides encompassing some of the most spectacular and varied terrain in the area. Ride Guide: Mountain Biking in the New York Metro Area provides all the information you will need, including level of difficulty, turn-by-turn cue sheets and maps, and descriptions of topography, trail conditions, and points of interest.
