

Relationships in College: 25 Winning Strategies for Success

Use this book as a reminder of all that you know that is true about friendship and love. True love starts with friendship. Love that lasts a lifetime begins between friends. To have a good friend and a true love, you have to be a good friend. This takes time and energy, so choose wisely. The quotations in this book are from the old masters, telling you that love and friendship have been subjects of the written language probably since the beginning of written language.
