

A Tale of Two Cities: The Dave McPherson Story

Former Scotland defender Dave McPherson is the only player to have twice worn the light blue of Rangers and the maroon of Hearts. This book gives an account of his 15 years as a professional, in which he takes readers inside Tynecastle for a behind-the-scenes story of the Mercer years, the managers hes played under, and an insiders view of the clubs resurgence under Jim Jeffries. He tells of life under Ibrox legends John Grieg and Jock Wallace before he was an early victim of the Souness revolution. His return to Ibrox under Walter Smith brought another league championship and the coveted Treble. This book provides an often humorous look at the contrasting fortunes of two of Scotlands biggest clubs.
