

Designed for today's students through the continuous feedback from students like you, BSTAT 2 delivers a visually appealing, succinct print component, tear-out review cards and CourseMate, our online digital product that includes learning aids to accommodate your busy lifestyle such as an interactive eBook, self-quizzes, downloadable flash cards, and more--all at an affordable price. You will understand how to complete manual calculations while learning to maximize the latest Excel 2013 and Minitab 16 technology with the book's numerous examples and applications. Chapter-in-Review cards provide quick reference to important formulas and guides for using Excel 2013 and MINITAB 16.
