

Zak Turner - A New Life (Volume 1)

When ten year old ace junior footballer Zak Turner ended up having a scuffle with the cheating goalie in the school playground, he triggered a series of events that changed his life and the lives of those around him forever. Like all ten year old boys, Zak had read the stories about Harry Potter, and secretly dreamed of a life at Hogwarts. Little did he realise that there was a real life wizard in his own class at primary school, or that it was the secretive son and heir of a very wealthy and important local landowner and businessman! A New Life is the first novel in the series, and relates the dramatic changes and events that occur in Zak Turners life as he turns eleven and starts his journey to manhood in the Yorkshire Dales in England, hiding a secret too valuable to be shared... The Zak Turner series follows Zaks life and the lives of his close friends through their secondary school careers, whether thats at non-magical Netherdale Academy, or magical Mhonarr Castle, or in Zaks case both! Netherdale is in the depths of the Yorkshire Dales, and is based on real locations with their names changed. Those who live there today will recognise them, and may even recognise some of the characters in the books. Mhonarr Castle? Well, that might be somewhere in Scotland, or it might not No-one knows really, but theres no way to get there except by magical means, so youre not going to stumble across it on your travels. Youll also not find it in the first book of the series, for Mhonarr only makes its appearance in the second book, Zak Turner Wizard Summer. The series has a supporting website with more details and information about all the books in the series visit www.zakturner.co.uk to find out more, and for details of new books and how to get signed copies.
