

Helping Your Child Live With a Developmental Delay

?An absolute must-have book for any parent of a child living with a developmental delay! The book is simple, straightforward, and down-to-earth; while also packed with useful information and resources on a host of essential topics. With over 25 years experience, Robin Atkinson has an intimate understanding of the challenges that children with developmental delays, their parents, and their families face. In this book she provides a clear, compassionate, and hopeful guide with very concrete, practical tools and strategies that will leave parents feeling comforted, informed, empowered, and hopeful. Contents: Acknowledgments Foreword How Can I Help You? Developmentally Delayed ...Whats That? All Those Acronyms!
