

Natural Golf Swing

Pages: 16 Language: English Publisher: McClelland & Stewart If your golf game has been plagued by inconsistency and less-than-peak performance, you may be going against your natural swing. But you can improve your golf game dramatically and you can beat bad habits by drawing on talents you already possess. The Natural Golf Swing will: * introduce you to your natural balance and rhythm * let you play consistently to your potential * allow you to enjoy a repeating swing * help you increase power and control with every swing. According to champion golfer George Knudson, your swing is governed by laws of nature, and is subject to logical, physical fundamentals that are all too often ignored. By learning the simple principles outlined in this book, you will generate more powerful, accurate swings, reduce your score, and gain control over your game. Take advantage of Knudson's more than...
