

Vertical Subtraction Flash Cards (Frank Schaffer Flash Cards)

This set of 100 double-sided flash cards provides practice for all subtraction facts through $9 + 9$. The vertical representation of equations makes this hands-on math manipulative perfect for one-on-one tutoring, small groups, learning centers, or whole class instruction. Each card measures $2 \frac{11}{16} \times 7 \frac{7}{8}$, promotes NCTM standards and includes answers on one side.
