

Backcountry 4x4 Basic Training: Exploring the Backcountry with Your 4x4

Real adventures are hard to come by in modern society. The backcountry offers many adventures, A 4x4 is the best way to experience the thrills offered to those who venture into the backcountry. Part of the challenge and thrill is to get to your backcountry destination, and back home. Getting lost or breaking down are real possibilities. Learning the skills to drive, navigate and get unstuck are crucial to both your enjoyment and safety. The backcountry requires self-reliance and Backcountry 4x4 Basic Training provides the tools, tricks and techniques you need to explore the backcountry in your 4x4. When you develop the skills need to explore the backcountry, you can experience a wide range of Adventures in the Backcountry in your 4x4 Rig. On these DVDs, you will learn to safely navigate 1000s of miles of backcountry trails. With experience, you can tackle the most difficult trails in your well-equipped 4x4. Driving in the backcountry allows you to explore natures beauty and historys legacy. Backcountry 4x4 skills give you confidence to handle any situation that comes along. Enjoy other great outdoor activities requiring a 4x4 to access - like Geocaching, rock climbing, snow showing, hiking, backcountry camping. Here you will learn how to safely protect your expensive 4x4 rig. Most important, get to your destination - and back home by learning to get unstuck.
