

Get Ready! for Social Studies : Geography

Everything parents need to help their kids succeed in social studies. The only comprehensive social studies skill-building series available, the Get Ready! For Social Studies series equips proactive parents with the tools they need to help their children develop the core skills required to perform at grade level in social studies-related subjects. Geography focuses on major geographic concepts: what geography is, maps and globes, landforms, natural regions (biomes), human movement, human/environmental interaction, and economics.
