

Goodnight, Campsite

Children love books, almost as much as they love camping! Goodnight, Campsite, is the perfect place for young readers to start a great outdoor adventure and discover camping options along the way options from tents to various recreational vehicles (RVs). Goodnight, Campsite, is set in a beautiful nature park. The story follows visitors as they explore the park during the day (hiking, biking, fishing, etc.), and then returns with them to their campsite at night. Preschool-aged children will love the beautiful and colorful pictures and searching for the squirrel hiding in the pictures. Rhyming text will keep children engaged, as they build sound associations and phonemic skills. Also included in the book is a Campsite Bingo game!
