

## Graduates Are Special

A Tribute to Those With Futures New and Bright Graduation is a special time. Whether its from elementary school, high school, technical school, college, or beyond, it is a time to celebrate personal achievement. Graduation represents a very important life change. Here are quotes and anecdotes from the famous and not-so-famous on education, success, and achievement. Whether the subject is handling a career, changing jobs, or just learning to get along in life, there are words from Greek philosophers to U.S. presidents to popular television personalities. From serious outlooks on achievement to humorous quips on getting ahead, this collection is the perfect gift for the person embarking on a new future. Graduates are Special is a celebration of a unique group of people at a wonderful time of life.
