

## The Law of Public Communication, 2007 Update Edition

Focusing on the implications of the law for practitioners, this annually updated book, *The Law of Public Communication*, examines legal issues affecting journalism, political and commercial speech, and electronic media. The Seventh Edition of this top-selling media law book includes the most current information explaining the law as it applies to the daily work of writers, broadcasters, advertisers, cable operators, Internet service providers, public relations practitioners, photographers, and other public communicators. By presenting statutes and cases in a cohesive manner that is understandable even to people studying law for the first time, the authors ensure that the reader will acquire a firm grasp of the legal issues affecting the media.
