

Handbook for Youth in a Muddied Age

A Handbook of encouragement and inspiration for the youth of America and the world today. Short insightful writings of the author, combined with quotes of famous international figures, provide a roadmap of hope for the youth of today, who have it in their power to create a new world and a new civilization. From the books cover: Youth of America and the World -- At a turning point in all of known and unknown history, the world needs you. You are the fulcrum by which history can be leveraged and changed. Nothing is as powerful as one person drawing upon the vast powers of the universe. This has to be you. This book is a book of voices, my own among them, urging you on. Be an instrument of overcoming and victory and change.
