

## Royal Match (a humorous short story)

The opening: A fight, a battle! On 29th April 2011, a big row is taking place in the Ivanovs apartment: Prince William is getting married. Mrs. Ivanova, Tanya, has been preparing for the wedding for several months: she has been looking at wedding dress catalogues, learning about the protocol, and has even lost a few pounds in weight. She has studied the genealogy. In a nutshell: the young Windsor boy, who isn't even 30 yet, has been collared by some decrepit commoner born as long ago as 1982.
