

# Please, Listen to Me!: Your Guide to Understanding Teenagers and Suicide (Self-Counsel Psychology Series) (Self-Counsel Personal Self-Help)

If you are a parent of a teenager, you should read this book. Suicide is one of the leading causes of teenage death, and very often it is completely unexpected. A teen who seems happy and healthy may, in fact, be desperately crying for help. This book speaks sensitively yet practically to this important issue. It covers learning to talk to your teen, using peer support, and finding professional help when its needed. If you care about your child, you need this book. Emotional eye-opener. Toronto Star A parent/reader will respond to Crook's sincerity and frankness.... A recommended buy... for all those who care about teenagers. Voice of Youth Advocates
