

## Is God Calling You To Ministry?

Is God Calling You to Ministry? seeks to answer the question that title asks. If you find that you answer that question in the affirmative, then you need to know how to access the actualization of your destiny. Jesus said to, Go into all the world and make disciples of all nations. He did not say, converts, He said disciples. God has so ordained His Church that there was to be a program of discipleship that empowers the Christian through training, equipping, and transference of anointing to proclaim and defend his or her faith. Every Christian is called to go through this process. The only way to realize the fulfillment of ones destiny is to follow the instructions Jesus had for His church. If we evade discipleship and then think that we will somehow finish our course, we are deluding ourselves. We define what true discipleship and mentoring are so that we can bring this process back to the church and produce leaders that walk in integrity for the next generation.
