

## Keri: Dandelions (Paperback Edition)

Keri: Dandelions is the second book in the seven-part-Keri Series which takes a humorous look into the mystery of mysteries: the mother-daughter relationship. Based on seven conversations the author had with her daughter when she was four years old, the author hopes that this series will be enjoyed by mothers and daughters for generations to come. We invite you to join Keri and her mother on the topic of dandelions.
