

Zombies Dont Forgive (A Living Dead Love Story)

Following Barracuda Bays homecoming cum zombie Armageddon, fellow zombies Maddy, Dane, and Stamp have fled to Orlando where they work at a theme park, hiding in plain sight at their jobs in the Great Movie Monster Makeover show. The three spend most of their time together in their apartment trying to avoid curious Normals and Sentinelshumans and zombie cops. While Dane and Maddy draw closer, Stamp drifts away, falling for a mysterious blonde. But when the mysterious girl puts their existence in danger, all Maddy cares about is hunting the blonde down to separate her from her head.
