

Making Your Life in the Outdoors

Making Your Life in the Outdoors Finding Meaning in the Crosshairs, and Memories at the End of Your Line. Reflections on Family, Friends, Food, Fishing, and Forests When was the last time you laughed by a campfire with good friends? How long ago did you sit quietly by a lake waiting for the big one to bite? Have you lately taken a moment to remember the heart-pounding thrill you had watching-and hoping-for a buck to cross your path? Nothing touches body, mind, and soul like nature-the great outdoors-and when you combine it with the authors five essential ingredients to a great life, it creates true stories full of adventure and excitement, contentment and contemplation. Wisdom and wit flavor each story that is topped off with mouth-watering recipes straight from the hunting lodge and fishing camp-proven delicious by many a hunter and fisherman.
