

Pregnancy Guide For First Time Moms: Month By Month Guidance For a Healthy Pregnancy

Even if the child is only carried by the woman, it does not mean that the journey of pregnancy should only be taken by the woman. As a couple, both of you are responsible for the child that will soon see the world. For you to make the child healthy and happy as soon as he or she is born, there things that you need to do as a mother to prepare the child especially when it comes to their health and your partner should be involved in it too.
