

## Snakeroot (Nightshade Legacy Book 1)

The next thrilling novel in the internationally bestselling Nightshade series! Fans asked for it, and now they've got it! Andrea Cremer is continuing the story she began in her internationally bestselling trilogy: Nightshade, Wolfsbane and Bloodrose. In this new installment, Bosque Mar haunts the dreams of both Adne and Logan, trying to escape for the Nether, where Calla, Shay and the other Guardians trapped him in the final battle in the War of All Against All. Will he turn Adne to the dark side? Will Logan reclaim his birthright? And will darkness take over our world? In a novel filled with magic, romance and breakneck action, master storyteller Andrea Cremer's newest installment will not disappoint! This series is perfect for fans of Lauren Kate, Holly Black, Cassandra Clare, Ally Condie, and Richelle Mead. What people are saying about the first three Nightshade novels: A book for well-read hopeless romantics who like their heroines conflicted, their love interests smoldering, and their passions triangulated and torrid. --The Los Angeles Times Sexy and intoxicating, filled with action, suspense and definitely romance. --Romantic Times Book Reviews Will keep you reading intently. --Entertainment Weekly Intensely romantic. --Justine Magazine
