

BellyButton Bible Study

It is by no means a comprehensive medical study. It is designed to be informative and accurate but more personal than scientific. It is, after all, just a love conversation to connect you and the little Einstein within. There is purpose and a miraculous plan of life from the very first cell division in pregnancy. Through this nine-month Bible study, you'll learn what is happening during each month of your pregnancy and the progress your child is making within your womb. As you read this aloud to your child in utero, you'll draw a stronger connection both with your baby and its creator God. This one-of-a-kind book will teach you how to show love to your child before he or she is even born. As these are nine important months in the child's life, it's crucial to begin nurturing your child and celebrating his or her life the moment it begins. Full of advice, scriptures, and specific prayers, this book will equip you as a parent, armed with the truth of God's Word. Through BellyButton Bible Study, you are sure to grow as a parent and to learn what God has to say about His children.
