

Only Dont Know: Selected Teaching Letters of Zen Master Seung Sahn

Here is the inimitable Zen Master Seung Sahn up close and personal in selections from the correspondence that was one of his primary modes of teaching. Seung Sahn received hundreds of letters per month, each of which he answered personally, and some of the best of which are included here. His frank and funny style, familiar to readers of *Dropping Ashes on the Buddha*, is seen here in a most intimate form. The beloved Zen master not only answers questions on Zen teaching and practice, but applies an enlightened approach to problems with work, relationships, suffering, and the teacher-student relationship.
