

## Osborns Concise Law Dictionary

For over 80 years, Osborns has been the dictionary of choice for law students. With over 4,700 references from the obscure to the everyday it contains everything needed for the study of law. No matter what the subject, Osborn will cover it with references on Criminal Law, Company Law, International Law through to EU and Constitutional Law. Osborns also includes an extensive citations list, a useful tool for finding and understanding journal and law report abbreviations.
