

Advanced Fighting Folders : State-Of-The-Art Training And Tactics For The Defensive Use Of Tactical Folding Knives

World-renowned knife expert Michael D. Janich takes his no-nonsense, get-home-alive folding knife tactics to the next level in this explosive video production from Paladin Press. Building on the foundation of technique established with his best-selling *Fighting Folders*, Janich continues your education through step-by-step instruction in knife fighting footwork, live-hand tactics, high-speed disarms and advanced reflex training drills. He then shows you how to integrate these elements into a state-of-the-art training program that realistically simulates virtually every conceivable street attack. Finally, Janich teaches you how to turn theory into application, revealing the secrets of combat knife draws, tactical folder defenses from disadvantaged positions, and the tactics of Speed Stops - lightning-fast defenses that immediately disable an attacker upon contact. Hone your defensive skills as sharp as your blade with this ultimate guide to the tactical folding knife.
