

## Paypal in 30 Pages or Less

If you are looking for a quick and easy way to be able to transfer money online, and accept credit cards, then this is the book for you. Paypal in 30 Pages or Less is your guide to the online service used by over 60% of eBay users, and over 30 million people worldwide. This book explains in simple terms how to sign up for an account, the different types of accounts offered, as well as the features and fees that accompany them. You'll learn every aspect of using Paypal, from sending and receiving Payments, all the way to collecting payments for online auctions, or directly through your own website. Also included is a look at Paypals complicated User Agreement, as well as important information on how to make sure you're protected from fraud when using Paypal to send and receive payments online.
