

## RUNT, MEMORIES OF A DYSLEXIC BASTARD

Runt knows there are things within him that makes him different; just what they are is not clear. His dad calls him a runt bastard, his teacher calls him a defiant brat, and his mother doesn't call him at all. His older brother skips grades, while he has to repeat them. And everyone in the family and half the county calls him Runt. The only good thing in his life is Bee, his slightly older niece.
