

Profiles #2: World War II

Full-color series--six bios in one! It takes more than one person to bring about change and innovation. Find out how key players from yesterday and today influenced and interacted with each other during some of the world's most memorable periods. So much more than just your typical biography, Profiles focuses on six of the most prominent figures during World War II. This book includes all of the biographical information kids need to know (background, family, education, accomplishments, etc.) about FDR, Churchill, Eisenhower, Hitler, Stalin, and Hirohito. Photographs, maps, and quotes will be interwoven throughout the text.
