

Punished For Purpose

Punished for Purpose is a compelling true-life story of abuse, hardship and inspiration-the vivid tale of a beaten child turned prostitute and heroin addict who could only reconcile her tragic existence as punishment for sins committed in a past life. Close to the ultimate self destruction, she is guided by thirteen people, virtual angels, each of whom crosses her path at exactly the right moment to lead her back to the light. Far beyond coincidence, she can only view it as a sign that her life was meant to be, that she was returned from the darkness for a purpose: To rescue those left behind, to save as many of Americas throwaway children as her time on earth will allow.
