

## A Second Helping: A Collection Of Popular Columns

From the syndicated humor column Robins Chicks, comes a short collection of 22 of her readers best-loved columns that are so funny you'll find yourself calling your best friend to read them out loud. A follow up to OBryants popular humor book, Ketchup is a Vegetable and Other Lies Moms Tell Themselves, A Second Helping serves up a little more insight into the shenanigans of Robin and her chicks. From realizing she should have paid more attention when the hula hoops were passed out in gym class, to near death by spray tanning, to realizing her daughters have given her more gifts than she could ever give them in return, A Second Helping is sure to make you laugh out loud and realize that being a parent is hilarious-- when its happening to someone else.
