

## Rovering to Success A Guide to Young Manhood

Illustrated by the Author. Contents: Preface; How to Be Happy Through Rich or Poor; Rocks You are Likely to Bump on; Rovering. To sum up in a few words, success does not consist so much in gaining money and power as in gaining happiness. Many young men drift along with the rest of the crowd according to chance, and thus never reach happiness. From being passive be active. Dont drift. Take your own line. Paddle your own canoe. Only mind the rocks! Avoid them by cultivating other qualities. Powell explains the rocks you are likely to bump on (Through herd temptation) Horses, betting and looking on at false sports. Wine, and other forms of self indulgence. Women, dangers of a wrong attitude and blessing of the right one. Extremists in politics, irreligion, etc. Powell elaborates on the antidotes to the rocks (through individual effort) active hobbies, earning money, self-control, character, chivalry, health of mind and body, service for your fellow-men and for God. If you aim for it by practicing these safeguards, instead of being stranded among the rocks, you will win success and happiness. These and dozens of other inspiring maxims make this extraordinary book a useful companion for Scouts and Scout Leaders.
