

Phase (Phase Trilogy Book 1)

Sophie Todd hoped that her senior year would be different. Unfortunately, different seems to mean getting punched in the face for sticking up for the new girl, having her offer of friendship spurned by said new girl, and finally gaining the attention of her long-time crush, Ezra Varden, but for all the wrong reasons. Its a tenuous friendship at best, but as Juliet starts to open up to Sophie, they both realize that the Vardens, Juliets foster family, are not your average family. Theyre extremely close-knitfreakishly sobut they welcomed a complete stranger into their home, which just so happens to have the largest meat freezer anyones ever seen... ..and certainly no one said anything about Ezra and the wolves.
