

CIMA Learning System Test of Professional Competence in Management Accounting (CIMA Learning Systems Strategic Level 2007)

The 2007 edition of CIMA's Official Study Systems have been fully updated to reflect changes in the syllabus. Key sections have been written by the case study writers to fully reflect what could be tested in the exam. Updated to incorporate changes to the assessment matrix, the 2007 Study Systems provide complete study material for the May and November 2007 exams. The new edition maintains the popular loose-leaf format and contains: * practice questions throughout * complete revision section * topic summaries * pilot paper

* The official study systems are the only study materials endorsed by CIMA * Updated to reflect the new assessment matrix with key sections written by the case study writers * Complete integrated package incorporating TOPCIMA guidance, advice on how to tackle the case study, and case study practice
