

Bringing Clarity to an Unclear World: A Financial Analysts Guide

Companies large and small rely on the expertise of their financial planning and analysis (FP&A) teams to understand financials, track key metrics, analyze acquisitions and divestitures, and drive financial performance. In *Bringing Clarity to Unclear World: A Financial Analysts Guide* Jonathan Lyons, a long time FP&A specialist, walks the reader through helpful tips and tricks (often learned the hard way) of how to make the most of this crucial function. A great, quick read for recent graduates, accountants looking to make the jump to analysis, and analysts looking to up their game.
