

Take My Hand: A Walk of Faith Through Dark Places

Take My Hand invites the reader to journey with Dan Cole as he confronts his life's greatest challenge—the death of his wife, Sandy, from cancer and his simultaneous cancer diagnosis and treatment. The letters that Dan and Sandy wrote to friends throughout their struggle are reproduced in this book, offering readers abundant inspiration and comfort. Throughout the letters, including the final ones written after Sandy's death, the message to their readers is clear: faith in God, love for one another, and, surprisingly, a sense of humor are the secrets to overcoming grief and loss. As Dan says in his final letter, Let the party and the joy return!
